Health records are required for ALL STUDENTS attending. There are two required forms: 1) DH3040 - School Entry Health Exam; and 2) DH680 Certification of Immunization. Contact your child's pediatrician for these forms.

First Time Enrollees

Health records for "first time" enrollees are due in the school office by July 31, 2026. Any health records for "first time" enrollees received after July 31, 2026, will be assessed a \$50 late fee. Before leaving your physician's office, please confirm that the forms are complete and that the expiration date will be valid through the end of our school year. (The only exception is a student who will require immunizations during the school year; new forms will be issued at that time.)

Re-Enrollees

As a courtesy to re-enrollees, unexpired health records currently on file will be transferred to the next school year. The school office will notify you one month before the expiration date of your child's health records. New health records must be submitted prior to the expiration date. You will be assessed a \$50 fee if updated health records are not submitted before the expiration date. Before leaving your physician's office, please confirm that the forms are complete and that the expiration date will be valid through the end of our school year. (The only exception is a student who will require immunizations during the school year; new forms will be issued at that time.)
